PROFILE

Final-year Creative Computing student with a passion for learning, problem-solving, and creative thinking. I'm highly adaptable and eager to contribute to any role that allows me to grow and develop new skills. Known for being dependable, a quick learner, and a team player, I'm ready to bring my energy and enthusiasm to any job. Whether it's collaborating with a team, tackling new challenges, or delivering great results, I'm driven to make a positive impact.

WORK EXPERIENCE

Machateam Food Trading 2019-2020
Data Entry Assistant

- Met tight deadlines while maintaining high attention to detail.
- Collaborated with team members to streamline data entry processes.
- Developed strong attention to detail, organizational skills, and proficiency in working with spreadsheets and databases. Strengthened ability to work independently and handle repetitive tasks with consistency and focus.

EDUCATION

BSc of Creative Computing August 2022 - Present
Bath Spa University RAK

- Web Design
- Web Development
- Visual Storytelling
